

INTERESTED IN SERVICES?

Individual is interested in finding out information or wants to use our services

Initial enquiry to us, or asks their social worker to arrange a meeting

Individual, SW & or carer meets us to discuss & assess needs, whether this is support, college, housing, benefit application etc

Shared Approach meet individual, discuss likes, needs, i.e. access community, move out etc

Further meeting with SW, agree a level of funding for 'package of care' this pays for support, staff, where, when, according to need

Timescale identified to move in or receive services - i.e. college course

Agree a plan, get to know any others people involved, this could be about their new home, support, environment, the move any obstacles/anxieties, etc reassure all parties &

Phase in gradually (monitoring)

*Meet co-tenants on an outing, *Do an activity out with them, *View home & potential rooms, *Make homely to personal taste, *Arrange visit/meal at house *Trial overnight stay

Evaluate services at 6 wks, 3 months, 6 Months & annual review, - all agree to continue or review/withdraw services - (at any stage)
